Acuant IDscan®

## Intelligent Data Capture & Auto-Fill Software

UniLink

- Reduce customer abandonment rates
- Obtain accurate data from the start
- Increase operational efficiency & revenue

ACCELERATE PRODUCTIVITY & FOCUS ON CUSTOMERS

Acuant IDscan® instantly extracts accurate data and images from government issued IDs (driver's licenses, passports, etc.) and medical & auto insurance cards to populate directly in your application. Utilize a desktop scanner or any mobile device to automate customer workflows and streamline database/CRM management. IDscan works in any industry, integrates easily into any environment and reads IDs from over 196 countries and all 50 US states. Acuant offers **AssureID™** identity verification and facial recognition technology in the same workflow to provide more security.
