## TravelScan Pro Duplex - Mobile Edition Portable Document and Business Card Scanner w/ Presto! BizCard 6

The portable TravelScan Pro Duplex scanner scans both sides of documents, business cards and receipts in one pass. USB power and connectivity mean you never need a power outlet. This feature combined with its small footprint and carrying case makes it the perfect scanner to take anywhere.

The TravelScan Pro Duplex is not only a great scanner for travel, it fits in at home or the office. Its footed stand and document guide let you change the scanners straight through paper path to 90°. This lets you set up the scanner in between the keyboard and monitor, saving space and making scanning more convenient.

The TWAIN compatible TravelScan Pro Duplex comes bundled with Presto! BizCard 6 contact management software. Presto! BizCard 6 lets you:

- Scan business cards directly into Microsoft® Outlook®
- Synchronize contacts between Presto! BizCard 6 and Microsoft Outlook, Lotus Notes or ACT!
- Export information in CSV or vCard format
- Quickly find contacts with the Search field

The TravelScan Pro Duplex also includes two other software solutions, AmbirScan and PageManager 7.

The footed stand and document guide let you change the scanners straight through paper path to 90°. This lets you set up the scanner in between the keyboard and monitor, saving space and making scanning more convenient.
