TravelScan® Pro ME

Scanner Features

Portable and compact – Lightweight and small footprint make it the perfect traveling companion

Versatile scanning solutions – TravelScan Pro acts as a business card scanner or document scanner by processing a wide variety of media from 2" x 3" business cards to 8.5" x 14" documents

USB power and convenience – Included USB cable means no external power adapter required and no "warm-up" wait time to scan

High-resolution scanning – Scan documents and business cards at 600dpi for crisp, clear results

Broad compatibility – Included TWAIN driver is compatible with thousands of software applications

Scan directly to PDF – Included software conveniently delivers industry standard PDF output

1-year limited warranty – Extended warranties available

Presto! BizCard 6 Features

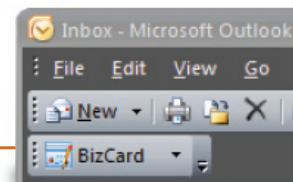

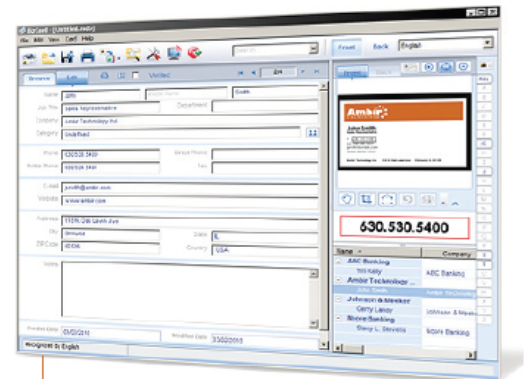

"Scan to Outlook" – A BizCard button located underneath your Microsoft Outlook toolbar gives you the convenience of scanning business cards directly into Outlook and setting preferences without ever opening Presto! BizCard 6

Contact synchronization – Synchronize contacts between Presto! BizCard 6 and programs like Microsoft® Outlook®, Lotus Notes® and ACT!™ plus Palm and Windows® Mobile devices

Smart Search feature – Quickly pinpoint the contact you are looking for with the search field

System tray BizCard tool – Capture contact information without ever opening up Presto! BizCard 6

Export Contacts – Export information in CSV or vCard format and make the most out of your contact data

Scan business cards directly into Microsoft Outlook
