Xerox® DocuMate® 262i

Fast and Easy Scanning
for Documents and Plastic Cards

- Scans plastic cards from Front Feed Tray
- Scans documents at 38 ppm and 76 ipm in duplex*
- Visioneer® OneTouch® scanning to multiple applications including Microsoft SharePoint
- Kofax® VRS™ delivers perfect scans from imperfect originals
- Ultrasonic Double Feed Detection
- Create searchable PDF files to make it easy to find scanned documents

  * Up to 76 ipm at 200 dpi, black & white

Xerox DocuMate 262i

The DocuMate® 262i is the fastest, most technologically advanced DocuMate and easiest to use scanner in its class. It is packed with features that will change how you look at and manage paper documents and information.

Work Easier

The DocuMate 262i is powered by Visioneer OneTouch® technology to scan documents to up to 9 preset, yet completely configurable destinations. This enables your document to be scanned with the proper settings for resolution, color, duplex, auto-crop, auto-straighten, file format and then delivered to virtually any application, folder or device – at the touch of a button! Working together with Kofax® VRS™ (Virtual ReScan®) technology, imagine the workflow possibilities of delivering perfect scanned paper documents in a searchable PDF format to email or Microsoft® SharePoint® or a custom web application for your enterprise, all at the touch of a button. Not only is this a productivity gain but greatly reduces the training requirements for scanner users, further helping your return on investment.

Work Flexible

You don't always know what documents you will need to scan next – you might have clean laser quality pages today but tomorrow there maybe multi-coloured forms, embossed ID cards, varying sizes of paper. The DocuMate 262i handles it all. The 50-page automatic document feeder (ADF) makes short work out of any stack of paper of varying size.

The front feed tray on the DocuMate 262i handles scanning plastic cards, such as driving licences, not only increasing the card scanning efficiency, but drastically improving roller wear, making it an extremely cost-effective solution.

Work Smarter

Ultrasonic Double Feed Detection is built into the Documate 262i so that you'll never miss a page due to a misfeed or a stapled document going through the scanner.
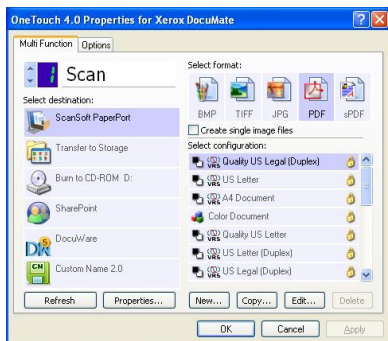

Kofax VRS is integrated into the scanner driver so that you get perfect scans from imperfect originals. VRS also eliminates the need to rescan documents through automatic cropping, straightening, brightness control and edge clean-up. All this is integrated into Visioneer OneTouch® so your entire scanning requirements are achieved at the touch of a button. In the end, paper becomes information and flows through the organization under your control.

Xerox® DocuMate® 262i

Visioneer® OneTouch®

Visioneer OneTouch is an easy to use utility that connects the buttons on the DocuMate scanner with a powerful set of scanner settings to greatly improve the efficiency of your workflow – so that with one touch, the document is scanned automatically to email, or Word, or your printer, or simply a file folder.
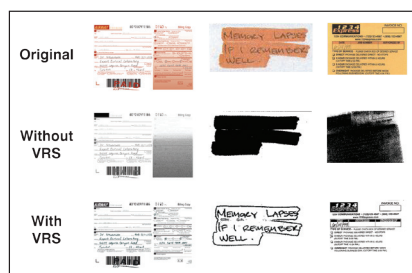

In addition to scanning direct to all popular destinations, Visioneer OneTouch also links the DocuMate 262i with industry-leading document management software, such as, Microsoft® Sharepoint®, DocuWare® & Xerox DocuShare – forming an easy to use workflow from paper to a selected destination. A Software Development Kit (SDK) is also available which provides the ability to develop specific links and integrate them into the Visioneer OneTouch control panel quickly and easily.

Includes Kofax® VRS™ Basic

Visioneer OneTouch with Kofax VRS technology is an integrated software solution that combines the ease of Visioneer OneTouch scanning, with the superior image quality achieved with Kofax VRS. Kofax VRS is an award winning, patented technology that automatically insures the best possible image quality and OCR accuracy for scanned document images. As pages pass through the scanner, VRS performs a multipoint inspection of each document, instantly checking and adjusting alignment (skew), brightness, contrast, and image clarity.

Nuance OmniPage Pro

Provides a precise OCR and layout retention solution, quickly turning scanned documents into editable, formatted text. The text can then be used in virtually any word processing, desktop publishing or web publishing program.

Text Searchable PDF

Transform volumes of paper or photos into organized digital files that can be quickly found, used and shared. In PDF format, the user can instantly search documents for keywords or phrases. This provides additional archival benefits beyond traditional storage, and the widely accepted PDF format lets everyone view and print documents – on any computer.

Nuance PaperPort

Millions of professionals rely on PaperPort® to save time and money by transforming paper documents into searchable digital documents. PaperPort combines the efficiency of document management, the convenience of superbly scanned documents and the power of creating PDF files, to bring a new level of operational proficiency to your organization.

Minimum System Requirements
- Pentium IV or equivalent
- Windows 7/ Vista / XP
- 512MB RAM (1GB for Windows 7)
- 350MB free hard disk space
- DVD-ROM drive
- Available USB Port

Contents
- DocuMate 262i Scanner
- Power Supply
- USB 2.0 Cable
- Quick Install Card
- Technical Support Card
- Paper Input, Output & Front Feed Trays
- Spare ADF Pad Assembly
- DVD-ROM including:
  – User's Manual
  – Nuance PaperPort
  – Nuance OmniPage Pro
  – Visioneer OneTouch with Kofax VRS technology
  – Scanner Drivers (TWAIN, ISIS & WIA)

DocuMate 262i Product Specifications

Modelo n°	XDM262i5D–WU
Scan Speed Black & White, 200 dpi Color, 200 dpi	38 ppm simplex / 76 ipm duplex 37 ppm simplex / 71 ipm duplex
Embossed ID Card, Black & White, 200 dpi Color, 200 dpi	2.7 seconds, duplex 8.5 seconds, duplex
Optical Resolution	600 dpi
Output Bit Depth	24-bit color, 8-bit grayscale, 1-bit black & white
Scan Method	Duplex
Interface	Hi-Speed USB 2.0 (USB 1.1 compatible)
Dimensions	13"(w) x 6.5"(d) x 6.38"(h)
Weight	9.44 lbs.
ADF Maximum Document Size	8.5" x 38"
ADF Minimum Document Size	3.5" x 2"
ADF Capacity	50 sheets (20 lb. paper)
Duty Cycle	3.000 pages/day
