KV-S1020C 25ppm Simplex Color Workgroup Scanner

Panasonic
ideas for life

- **26 ppm High Speed Simplex Scanning**
- **Mixed Documents & Multiple ID Card Feeding**
- **Double-Feed Prevention Roller System**
- **Easy Maintenance**
- **Advanced Imaging**
- **On-board Image Enhancement Technology**
- **Automatic Application Launcher**
- **Auto Erasure Security**

The Ideal Choice for Your Front Office Document Scanning Needs.

Virtually any type of document, from business card size to legal size, from thin onion-skin paper to thick hard ID cards, the new KV-S1020C can scan them all in color or black and white. Fast and reliable, these compact but powerful scanners come with intelligent RTIV^{TM} image capturing software that maximizes the potential of document scanning with precision reproduction and versatile processing. All of this in a quiet, space saving design that will fit comfortably in the most front-office environments -- even tight counter-tops and reception areas. The KV-S1020C from Panasonic -- the ideal front-office document filing solution.

Versatile applications:
Auto Color / Monochrome Distinction No need to pre-sort
Blank Page Removal Reduced storage space
Smooth Backgrounds No more fuzzy background
Multi Color Dropout Pre-printed from scanning
MultiStream^{TM} Single pass for dual output
Auto Color Cropping / De-Skew No post-processing
Dynamic Threshold Readability and accuracy
