## KV-S1025C 26 ppm / 52 ipm Duplex Color Workgroup Scanner

- 26 ppm High Speed Simplex Scanning
- Mixed Documents & Multiple ID Card Feeding
- Double-Feed Prevention Roller System
- Easy Maintenance
- Advanced Imaging
- On-board Image Enhancement Technology
- Automatic Application Launcher
- Auto Erasure Security

### The Ideal Choice for Your Front Office Document Scanning Needs.

Virtually any type of document, from business card size to legal size, from thin onion-skin paper to thick hard ID cards, the new KV-S1020C can scan them all in color or black and white. Fast and reliable, these compact but powerful scanners come with intelligent RTIV™ image capturing software that maximizes the potential of document scanning with precision reproduction and versatile processing. All of this in a quiet, space saving design that will fit comfortably in the most front-office environments -- even tight counter-tops and reception areas. The KV-S1020C from Panasonic -- the ideal front-office document filing solution.

#### Versatile applications:

**Auto Color / Monochrome Distinction** you can mix color and monochrome (B/W) originals at the same time for greater efficiency and reduced data storage. No need to pre-sort.

**Blank Page Removal** Blank pages are automatically deleted during scanning to keep the scanned file size to a minimum. This allows you to scan a batch of documents that include blank pages without the need to eliminate them during a pre-sorting process. Reduced storage space

**Double Exposure** automatically scans then saves two-sided documents into a single page file; ideal for ID cards such as driver's licenses and insurance cards, as well, as checks and receipts. Two-in-one convenience

**Smooth Backgrounds** analyzes images at scan time for background color content and outputs images with the background color solidified. It increases viewing clarity and reduces JPEG output file size. No more fuzzy background

**Multi Color Dropout** you're no longer limited to removing only reds, greens and blues from pre-printed forms. Any color or color range can be selected for removal for more accurate OCR processing. And you're not limited to only one color -- you can select up to three or even drop all colors saving only black. Pre-printed from scanning

**MultiStream™** function generates both color and monochrome scanned data with a single scan. You can produce binary data for OCR (optical character reader) and save in color at the same time. This effectively doubles the scanner's output to 52 ppm/104 ipm. Single pass for dual output

**Auto Color Cropping / De-Skew** Documents of various sizes can be scanned without having to pre-sort the documents by paper size. Auto Color Cropping crops the scanned image to its actual size while Auto De-Skew automatically corrects skewing. No need for post-processing or re-scanning. No post-processing

**Dynamic Threshold** the background density is automatically detected section by section and the scan setting (brightness control) is automatically adjusted for clearer results as well as OCR accuracy. Readability and accuracy

## Specifications

<b>Simplex / Duplex</b>	Duplex
<b>Rated Speed</b>	Binary 200 dpi Up to 26 ppm/52 ipm Color 200 dpi Up to 26 ppm/52 ipm
<b>ADF Size</b>	Up to 50 sheets, 3 hard cards
<b>Paper Size</b>	Min.: 1.9" x 2.8" length Max.: 8.5" x 100" length
<b>Maximum Resolution</b>	Color and B&W: 100 to 600 dpi (1dpi step)
<b>Daily Duty Cycle</b>	1,000 pages
<b>Color Dropout</b>	Red, Green, and Blue Multi Color Dropout - Up to 3 colors, any color
<b>Warranty</b>	1-Year Limited Advance Exchange
<b>Interface</b>	High-Speed USB 2.0 Up to 480 Mbps transfer rate
<b>Dimensions (H x W x D)</b>	8.6" (218 mm)" x 12.5" (317 mm)" x 7.2" (182 mm)"
<b>Weight</b>	9.3 lb (4.2kg) lbs
