

KV-SS080 Compact A4 Flatbed Scanner Accessory

- Versatile A4 flatbed accessory for the KV-S1025 series document scanners
- Multi-Crop, 2 Page Separation
- Up to 600 dpi optical scanning resolution
- ISIS Certified, TWAIN compliant drivers

Automatic ADF/Flatbed Scanning

Now you can consecutively scan ADF documents from the KV-S1025C and flatbed documents from the KV-SS080 in one simple operation, greatly improving your productivity.

Multi-Crop

Place various sized documents on the flatbed, such as checks, ID Cards, and business cards, and the KV-S7075C will scan them in one pass and produce multiple individually cropped images!

2-Page Separation

Use the large 11 x 17" flatbed to scan books, magazines or other bound documents in one pass and produce two separate images.

Panasonic Image Enhancement Technology

As with our other award-winning document scanners, the KV-S7075C supports a variety of image enhancement functions built right into it. Auto-crop, Dynamic Thresholding, Auto/Binary Distinction, Blank Paper Removal, Hole Removal and Multi-Color Dropout are just a few of the available features found on every Panasonic document scanner.

Type	Workgroup
Scan Type	Flatbed
