A4 Tethered Flatbed

Document Imaging Products
AUTHORIZED RESELLER

Optional Tethered Flatbeds for KODAK Scan Station 500, i1200, i1300 and i1400 Series Scanners
Only Kodak provides you with the flexibility to connect an optional Tethered Flatbed to any of its Scan Station 500, i1200, i1300 and i1400 Series Scanners.

Some documents require flatbed scanning, for example Books, Magazines or Passports. Other documents are too delicate or irreplaceable to risk any damage.

The Kodak Flatbed Accessory gives you the ability to scan exception documents with the utmost care. The A4 flatbed accessory can scan documents up to 210 x 297 mm (8.5 x 11 in.) and comes with a cable that easily connects the tethered flatbed directly to a Kodak Scanner.

Simply Plug and Scan

Get enhanced image quality
Attached to the KODAK i1200, i1300 and i1400 Series Scanners the Tethered Flatbed provides the latest Perfect Page imaging technology, including automatic cropping, rotation, colour detection and iThresholding. "Ease of use" is our mission

Just place a document on the glass platen, press the scan-button, and deliver high quality images into any application. Kodak's exclusive Smart Touch feature allows you to scan to file, email, Microsoft SharePoint Server, publishing or other desktop applications with just one push of a button.

UniLink

Specifications:
Scanning Technology
CCD; Greyscale output bit depth is 256 levels (8-bit); Color capture bit depth is 48 bits; Color output is 24 bits
Illumination
Fluorescent (cold cathode)
Imaging Backgrounds
White (back optional)
Max. Optical Resolution
1200 dots per inch
Output Resolution
75, 100, 150, 200, 240, 300, 400, 600 and 1200 dots per inch
Max. document size
8.5 x 11 in. (210 x 297 mm)
Operator Panel
Start-Button and Color LED-Indicator
Connectivity
1,8 m Cable for Power and Data to the Scanner Unit
Imaging Features
Perfect Page Scanning; iThresholding; adaptive threshold processing; deskew; autocrop; relative and aggressive cropping; electronic color dropout; dual stream scanning; interactive color, brightness and contrast adjustment; auto orientation; automatic colour detection; background color smoothing
File Format Outputs
Single and multi-page TIFF, JPEG, RTF, PDF, searchable PDF
Driver Standards
Supported by TWAIN and ISIS drivers; KODAK Smart Touch feature
Electrical Requirements
Power provided by the KODAK i1200, i1300 and i1400 Scanner
Dimensions and Weight
Height: 87 mm (3.4 in.)
Width: 286 mm (11.2 in.)
Length: 476 mm (18.7 in.)
Weight: 3,7 kg (8.1 lbs)
Scanning Speed (scan-to-image)
(B&W, Gray, Color)
7 Sec @ 300 dots per inch.
65 Sec @ 600 dots per inch
