

TROY M203

MICR Printer

The TROY M203 MICR Printer is an ideal solution for businesses in need of a low volume check printing solution. The M203 keeps your office efficient with a first print out in 7 seconds. Also, it features both a 250-sheet input tray and a 10-sheet priority tray for quickly using multiple media types.

Benefits

Streamline Your Secure Check Printing

TROY M203 MICR Printers eliminate the security risks of using preprinted check stock by allowing companies to print checks on demand. Incorporate your logo, customer data, signature and MICR line onto the checks at the point of print.

Fast and Versatile

Up to 30 pages per minute, as fast as 7 seconds first page out, and an integrated network card - perfect for both check printing and general office printing.

Compact

Ideal for small workgroups of one to five people or for offices regularly printing low volumes of checks.

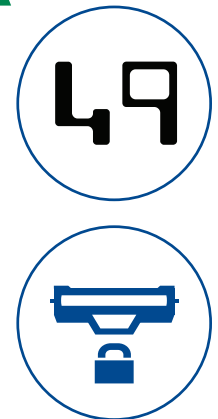

Features

MICR Fonts

TROY MICR Fonts are available from TROY Support.

MICR Toner Secure

Protect every printed check with OEM quality MICR toner enhanced with a patented, hidden red security agent that appears if chemical alteration is attempted on a document.
