High-endurance Printing Delivered in a Compact Design!

Unisys UDS635-N11 40 Pages Per Minute Desktop Printer

Print Less. Save More.

Print less? This may seem like a surprising message for a company marketing printing solutions. But when you consider that businesses spend, on average, up to 6% of their revenue on printing and that active print management can cut office print costs by up to 30%[1], it makes a lot of sense. Unisys products, solutions and services provide innovative ways to save you time, drive down costs and reduce your impact on the environment. We are committed to helping you print less and save more.

Keep your productivity up and costs way down with the Unisys UDS635-N11 printer. Network-ready with an intuitive display, it offers effortless operation, confidential printing, advanced security and management tools, and practical ways to lower your running costs – including built-in duplex printing and Extra High Yield Toner Cartridges.

Powerfully Simple!

With its rapid time-to-first-page, the Unisys UDS635 is a powerful asset to your workgroup. It features everything you need to perform at your best, along with great print quality and an intuitive display to simplify your workday.

- Powerful 466 MHz processor
- First page out as fast as 6.5 seconds thanks to the instant warm-up fuser
